Cornerstone Galaxy App: First Time Setup

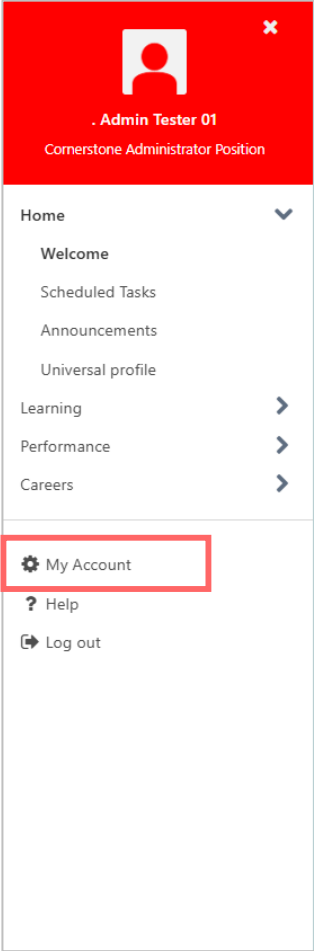

1. Access the LMS portal (single sign-on) via CrimsonConnect > HR > Applications.

2. On the LMS home page, click on  and then .

Click this icon to display the navigation menu.

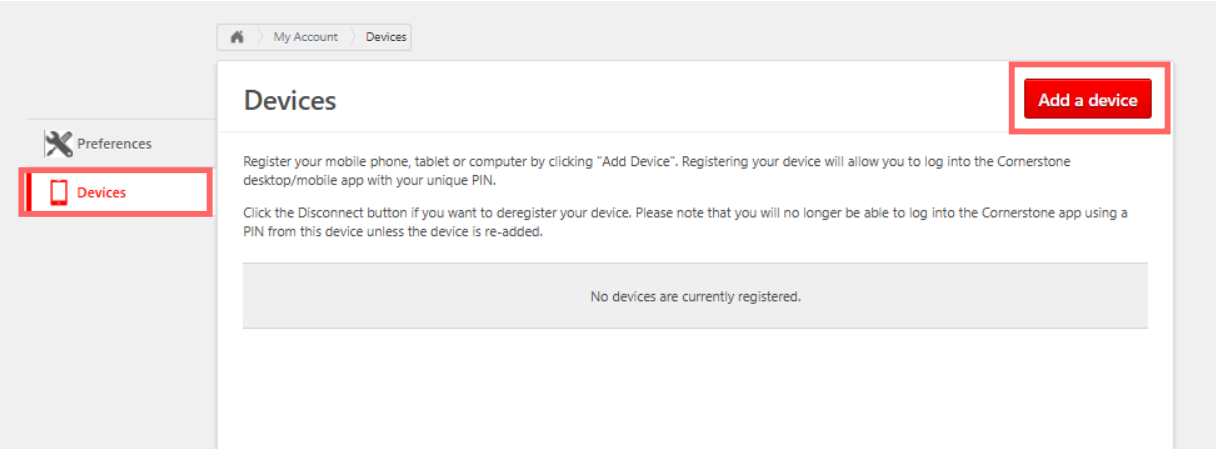

Cornerstone Galaxy App: First Time Setup

3. On the My Account page, click the  **Devices** tab.

Click

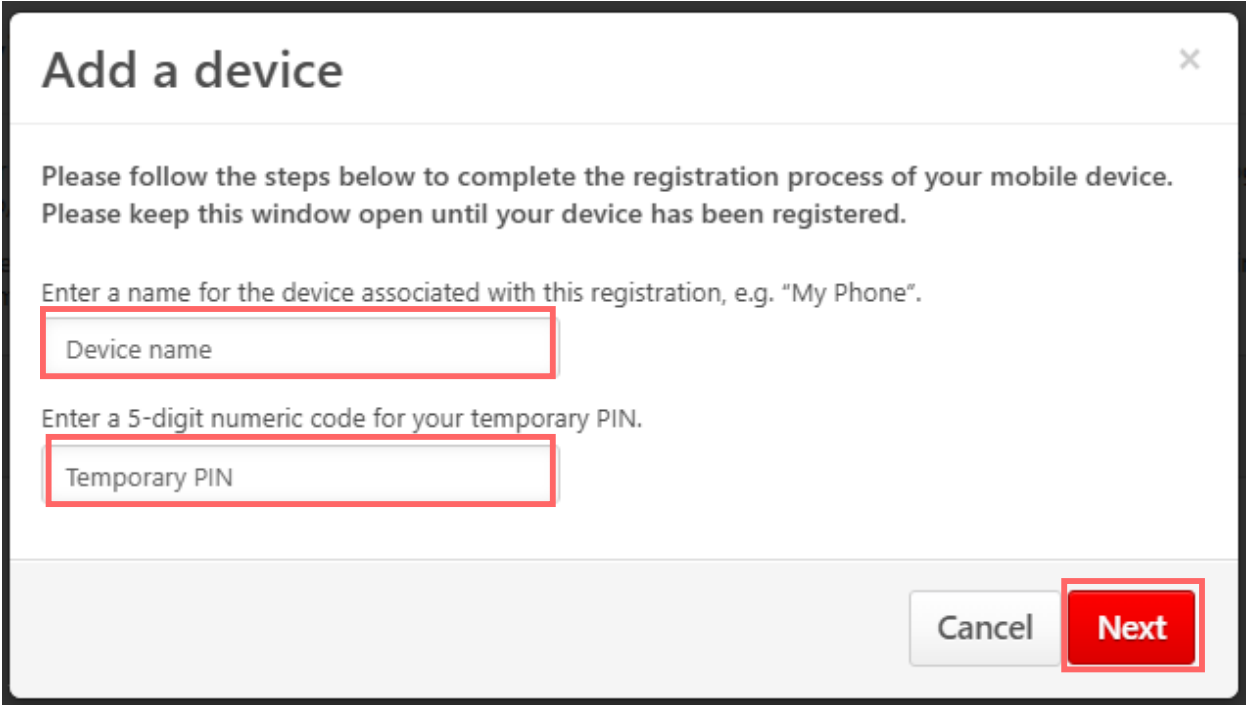

Add a device

4. In the Add a device box, indicate a name for your device (example: you may input "my phone" or a specific phone brand) and a 5-digit Temporary PIN code.

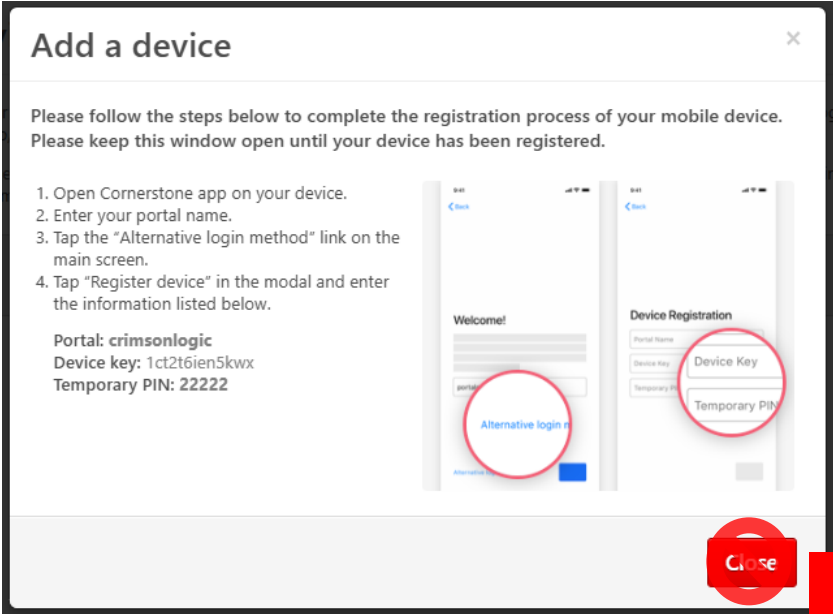

Click

Next

A screenshot of the 'Add a device' dialog box. The title bar says 'Add a device' with a close button. The main text reads: 'Please follow the steps below to complete the registration process of your mobile device. Please keep this window open until your device has been registered.' Below this, there are two input fields: 'Device name' and 'Temporary PIN'. The 'Device name' field is highlighted with a red box. At the bottom right, there are 'Cancel' and 'Next' buttons, with the 'Next' button highlighted by a red box.

Cornerstone Galaxy App: First Time Setup

5. Keep the next pop-up open until the app registration process is complete, as the device key and temporary PIN are required to register your device.

Do not close this page!

Cornerstone Galaxy App: First Time Setup

6. On your mobile device, download the Cornerstone Galaxy app (available in Apple App Store and Android Play Store).

Training Attendance Confirmation: Scan QR Code

To record your attendance for the training, use your Cornerstone Galaxy app to scan the QR code that will be flashed by your facilitator.

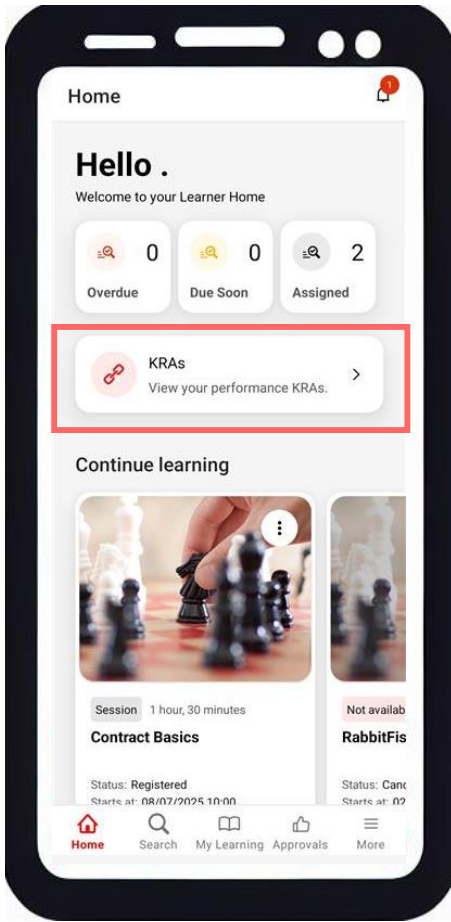

Go to  > Scan QR Code > Scan

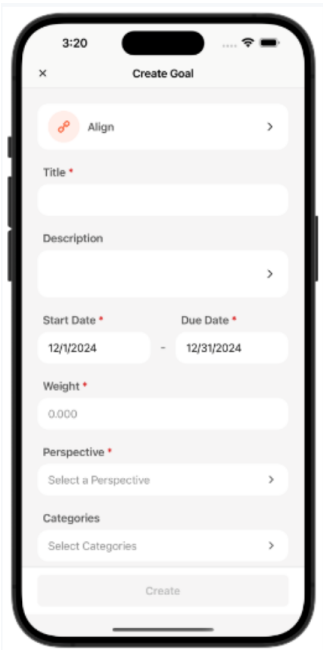

- ✓ The QR code will only work if you were registered for the session
- ✓ The QR code is only valid for a specific period, so make sure that you scan it when the facilitator asks you to
- ✓ Please inform your facilitator if you encountered issues with the QR code

Manage KRAs via the Cornerstone Galaxy App
