04th April 2026

This is to certify that Ms. Swapna is undergoing Ayurvedic treatment at our clinic starting from **04 April 2026**.

As part of her current treatment plan, she is receiving **Virechana therapy** for a duration of **7 days**, in view of her health condition related to thyroid imbalance.

During the course of this treatment, she has been strictly advised to:

- Avoid travelling
- Avoid exposure to air conditioning (AC)
- Follow the prescribed dietary and lifestyle guidelines

These precautions are essential to ensure the effectiveness of the treatment and to support proper recovery.

We request your kind cooperation in allowing her the necessary time and conditions to complete the treatment successfully.
